

The Township of West Orange Gym Reimbursement

Receive reimbursement for visiting the gym

Stay in shape

Starting or staying with an exercise routine isn't always easy. To help you stay motivated and achieve your fitness goals, we provide reimbursement toward fitness center membership fees. The reimbursement benefit is limited to you and your spouse or domestic partner; no other dependents are eligible. In order for your spouse or domestic partner to be eligible for this benefit, he or she must also be enrolled in the Township of West Orange Health Plan.

Selecting a gym

To receive reimbursement, you must participate in a gym and/or program that promotes cardiovascular wellness. Memberships in sports clubs, country clubs, weight loss clinics, spas, or other similar facilities will not be reimbursed. For a gym to be considered eligible, it must provide at least two pieces of equipment or activities that promote cardiovascular wellness from the following list:

- stationary bicycle
- treadmill
- elliptical cross-trainer
- group exercise
- squash/tennis/racquetball courts
- stepper
- rowing machine
- walking/running group
- pool
