

CLICK WITH A SITE THAT CLICKS WITH YOU

myCigna.com

We've made myCigna.com all about you

Log in and you'll find the information you need to manage your health, including powerful tools, information and resources to help you make informed health care decisions. The site is designed to make it easier to quickly find exactly what you're looking for and it's compatible with your mobile device – so you can find whatever you need, whenever you need it.

The screenshot shows the registration page on myCigna.com. At the top left is the Cigna logo. Below it is the heading "Registration". A progress bar indicates four steps: "ENTER PERSONAL DETAILS" (highlighted), "CONFIRM YOUR IDENTITY", "CREATE USER ID", and "REVIEW & SUBMIT". Below the progress bar is a section titled "REGISTERING TO TAKE THE HEALTH ASSESSMENT?" with a small image of a red apple with a yellow ribbon. The text explains that users or their dependents must register separately and log in with their own User ID and Password. Below this is the "Enter Personal Details" section, which includes a sub-heading and a note: "You're just minutes away from accessing your Cigna online account. Please enter your information to get started." The form fields include: First Name, Last Name, Date of Birth (with dropdowns for Month, Day, and Year), Address, Address 2 (Optional), City, State (with a "Select" dropdown), and ZIP Code.

Get started

Go to **myCigna.com**. The first time you visit, you will be directed through a simple registration process. Once you've registered, keep your User ID and password in a safe place and bookmark **myCigna.com** for future use.

Use your tools

When you have more information, you'll feel better about your health and your health spending. That's why we have tools and resources to help you estimate and compare costs and improve your health and wellness.

- **Medical cost estimator** – compare estimated costs for various procedures based on Cigna's historical cost data.
- **Manage your health** – the “Wellness” section includes a wealth of tools and information to help you get healthy and stay healthy. You'll find articles, support groups and other resources on a variety of topics, including blood pressure, cholesterol, tobacco cessation, weight management, stress and more.

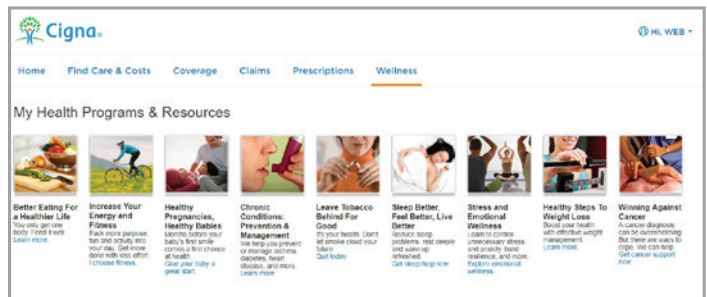

It's your health. And myCigna.com is your site.

Find a health care professional

Search for your doctor by name or search our network for a specific type of doctor or medical facility. You can filter your results by distance, cost efficiency, specialty and more – even by whether they are accepting new patients.

Be sure to look for the Cigna Care Designation symbol – which identifies doctors who have met certain Cigna quality and cost-efficiency measures.*

You'll find helpful resources on a variety of health-related topics under your “Wellness” section.

* Quality designations and cost-efficiency ratings reflect a partial assessment of quality and should not be the sole basis for decision-making (as such measures have a risk of error). They are not a guarantee of the quality of care that will be provided to individual patients. Individuals are encouraged to consider all relevant factors and consult with their physician when selecting a health care professional or facility for care. Health care professionals and facilities that participate in the Cigna network are independent contractors solely responsible for the treatment provided to their patients. They are not agents of Cigna.

All Cigna products and services are provided exclusively by or through operating subsidiaries of Cigna Corporation, including Cigna Health and Life Insurance Company. The Cigna name, logo, and other Cigna marks are owned by Cigna Intellectual Property, Inc.
